the website below and register

## What is Section 3?

A statute that requires the Springfield Office of Housing, and other HUD recipients, to direct employment and other economic opportunities created by HUD-funded activities to low- and very low-income people and businesses to the maximum extent feasible.

## Why should my company become a Section 3 certified business?

Your business (once certified) **will receive *PREFERRED consideration for contract awards*** on all Section 3 business projects in which you have submitted a formal bid for.

Your company profile information is placed in front of developers and contractors required to award contract opportunity preference to Section 3 Certified Businesses.

It's Free!
